**II. NARRATIVE REPORT**

As communicated by the Mountain Province Provincial Health Office (PHO) for the conduct of FORUM on the **"PREVENTION of SEXUALLY TRANSMITTED ILLNESSES (STI's) and HIV/AIDS"** at the college which was received by the MPSPC Office of the President and was forwarded to the Office of the MPSPC-Bontoc Campus Executive Dean Dr. Christie Lynne C. Codod for the availability of students to attend was pushthrewed at the MPSPC-College Auditorium. This was also verbally informed by Mam Prima Donna Te-elan of the PHO to our office at the MPSPC Health Services Unit.

At about 8:00 am of June 27, 2019, the staff of the MPSPC Health Services Unit attend and actively participated in the conduct of the said forum which was under the initiative of our partner health agency personnel (Mt. Province - Provincial Health Office) in the name of Dr. Caroline Yawan (Provincial Health Officer 1), Prima Donna Te-elan and Mrs. Venancia Apangchan (PHO Staff Nurse III) designated as the coordinator on STI's and HIV/AIDS Prevention Awareness. Dr. Caroline Yawan presented the lecture on Sexually Transmitted Illnesses (STI's) and HIV/AIDS Prevention Awareness focused on the prevention such as abstinence and zipper your parts. In her topic also she discussed the different bacterial, viral, protozoal and skin parasite infections, transmission of the illnesses, etc. After the lecture a time was allotted for question and answer so student were encouraged to ask questions, comments and clarification with regards to the topic wherein the PHO personnel right away.

The PHO personnel thanks the BS Criminology Students, BS Nursing students and the Health Services Staff for attending the activity and they also informed that this is a forum conducted every year to generate awareness on the prevention and control of the different sexually transmitted diseases and for them to seek further early consultation if they have the signs and symptoms of STI's. In behalf also of MPSPC - Health Services Unit we also extend our sincerest and heartfelt gratitude for the conduct of the activity to the Provincial Health office (PHO) because we are also mandated for the information dissemination of this STIs as per CHED memo and accreditation aspects that's why we included this in our general orientation in the college.

The total MPSPC students and personnel who attended the activity is **130** in all. Snacks were also provided to all participants courtesy of the Mountain Province - Provincial Health Office.
